Cross-platform App Development using Flutter/Dart for Linux, Windows, Android with experience in AWS, Ubuntu, Nginx, Databases, Backend API servers, Data Structures

EXPERIENCE

Mobile App Developer

Feb 2023 - Present

Navia Energy, Bengaluru

- Migrated an existing Cordova app to a cross-platform app using Flutter for Linux, Windows, Android and Web for a Solar Energy Data Monitoring/Control Application
- Used Nginx on AWS EC2 Ubuntu Instance
- Coordinating between US and India team to get the software pieces work together.

Software Developer

Jul 2022 - Dec 2022

ABI Health, Bengaluru

- Before starting coding, I was required to understand the application flow and understanding customers' real time support issues.
- L1 Support – Coordinating with customers for tickets, escalations and with internal team members; Used MSSQL Database queries and SPs for ticket analysis.

Mobile App Developer

Jan 2020 - Mar 2022

Navia Energy, Bengaluru

- Explored Cordova, Flutter, React Native and Native Android App Development.
- The app was finally built in Cordova for short-term and the plan was to migrate to React Native which I was working on.
- Got training on Power BI, Data Science and built basic models

Senior Software Engineer

Sep 2016 - Jan 2019

Diebold Nixdorf Pvt Ltd, Mumbai

- Resolving code defects raised on Jira using Angular JS and C#
- In the ATM industry, fixed related C++ code, ATM config, setup related issues
- Testing the code on ATMs directly to check the code fixes
- Coordinated between testing and development team onsite and offshore and mitigated the project delay.

Software Developer

Apr 2010 - Sep 2016

NavSemi Technologies Pvt Ltd, Bengaluru

- Developed a Windows Desktop App using VB.NET and MSSQL for Solar Energy Data Monitoring and Remote Control
- Successfully created a Web App using AngularJS and ASP.NET, thus, added a SAAS platform for the customers
- Create API for interfacing with Embedded Firmware module of the Solar Charge Controller to collect the data and control.

EDUCATION

Bachelor of Engineering (B.E.) - Computer Engineering

Sep 2005 - Jun 2009

Jaipur, Rajasthan, India University of Rajasthan, Jaipur
